AQUAEXPO 2023 CALL FOR ORAL PRESENTATIONS

AQUAEXPO is an event organized by the National Chamber of Aquaculture of Ecuador. It gathers actors from the national and foreign industry and has reached to position itself as the largest aquaculture event in the country and one of the most important in the region.

AQUAEXPO is made up of a trade show and a scientific-technical conference. At the trade show, hundreds of companies that offer products or services related to industry participate. Booths are placed in a large space suitable for this purpose, where the executives and technicians of the companies show attendees the highlights of their product portfolio.

The technical conference that takes place during AQUAEXPO is divided into sessions in which the most relevant aspects of aquaculture research are addressed: nutrition and food practices, genetic improvement, disease prevention and management, market trends, efficiency and technological innovations, crop diversification, etc. Numerous researchers and aquaculture professionals from all over the world come together in this congress to present the latest advances in science and technology. On 2023, the events will take place according to the following schedule:

EVENT	DATE	PLACE
Santa Elena	February 8 - 9	Salinas Golf & Tennis Club
Manabí	May 10 - 11	Tenis Club Bahía de Caráquez
El Oro	July 11 - 13	Oro Verde hotel, Machala
Guayaquil	October 23 - 26	Guayaquil Convention Center

INSTRUCTIONS FOR APPLYING

Those who wish to submit their works to be presented at the AQUAEXPO technical sessions must submit them to the Organizing Committee for the selection process. The theme should revolve around the relevant aspects and propose solutions to the problems or needs of the industry.

GENERAL CONSIDERATIONS

- It is not necessary to be registered in the Conference to submit a job, but to attend.

www.aquaexpo.com.ec

- Booking a booth does not give rights to include an oral presentation in the technical program. Proposals for the congress are analyzed and approved by a technical committee independent of the trade show.
- To complete the application form, you must include the personal information (full name, position, institution, email) of the main author and the co-authors. The oral presentation may be made by a single speaker.
- The submitted job must be framed within one of the thematic axes of the congress:
 1. Nutrition and feed practices
 2. Genetic improvement
 3. Prevention and management of diseases
 4. Market trends
 5. Efficiency and technological innovation
 6. Crop diversification
 7. Sustainability and certifications
 8. Other (specify)

SUBMITTING THE SUMMARY

- Abstracts should be written in Spanish or English, between 500 and 1000 words.
- Attach a document in Word, with the summary of your research, written in space and medium, Arial font size 12, in A4 standard format sheets.
- Must include institution, country and location where the work/research was done.
- The information of authors must be complete. The first and last names must go only with the initial letter in capital letters. Underline the name of the exhibitor, whose resume must be sent along with the summary of the proposal.
- The summary should include (when appropriate) objective, methodology used, specifying number of observations, results, and conclusions. For the presentation of the results, tables and / or images may be included.
- Aquaexpo does not promote brands or specific commercial products, but rather highlights the benefits of the active principle, instrument, machinery, software, or service in a generic way. Therefore, the inclusion of trademarks of the products used in the tests is not accepted, only the generic names or active principles of the product, or the type of service that is to be shown.
- To apply for the oral presentation, those interested should send the abstract to ypiedrahita@cna-ecuador.com and aquaexpoec@cna-ecuador.com or through the application form of the website, along with the resume of the speaker in

www.aquaexpo.com.ec

- charge of the presentation. The acceptance of the works will be decided by the Technical Committee of the conference.
- It is recommended that the presentations are not identical to those previously presented at similar events in the country or abroad. In case of keeping a subject already exposed, it is suggested to incorporate updated data and align the presentation according to the interest of the audience.
- The deadlines for the application of oral presentations are the following:

EVENT	DEADLINE FOR SUBMITTING PROPOSALS
Santa Elena	January 6 th
Manabí	March 31 st
El Oro	May 5 th
Guayaquil	July 5 th

ACCEPTANCE OR REJECTION OF ABSTRACTS

- Authors will be informed via email if their work has been accepted or rejected and for which event it may be included. If you want to participate in a specific event, please indicate it when submitting the presentation.
- The Organizing Committee reserves the right to accept or decline applications. There is no option for appeal to this decision.

FORMAT FOR ORAL PRESENTATION

- If your application is accepted in the Congress for your oral presentation, you will receive confirmation via email in which the time available for the conference will be indicated, as well as other topics pertinent to the participation in the event. The audiovisual material for the presentation must be delivered in the template of the conference (which will be sent in Power Point format) to ypiedrahita@cna-ecuador.com no later than one week before the event. The presentation must be related to the structure of the submitted summary.
- Brand images or commercial information related to the products used or information that induces the use of a brand cannot not be included. Images or texts that include information of this nature will be removed from the presentation.
- Time slot for presentation is 20-30 minutes (depending on the session) included 5 minutes for Q&A. Speakers must adjust their presentations accordingly.
